Focus your skills like never before with Carnarvon Gorge Photography Tours!

2 July 2024

FOR IMMEDIATE RELEASE

Are you passionate about photography? Here's your opportunity to experience the Carnarvon Gorge and elevate your skills with guidance from experts, ensuring you capture stunning images you'll cherish forever!

This July and August choose from a variety of workshops featuring hands-on field sessions, editing techniques, technical guidance, and creative inspiration.

Plus, you can bundle this unforgettable experience with accommodation, allowing you to fully immerse yourself in the beauty of Central Queensland Highlands.

Peter Homan, CEO of Queensland Country, describes this as a great opportunity for aspiring photographers to connect with their natural surroundings.

"Research indicates that immersing yourself in nature reduces stress and enhances mental well-being. This is precisely what participants can expect in these exceptional photography workshops set in one of Queensland Country's most breathtaking locations,

Thanks to Australian Nature Guides and their Carnarvon Gorge Eco Tours for their support in fostering cultural and environmental education through their tours, also playing a crucial role in boosting the local regional economy," Mr. Homan highlighted.

Small group sizes ensure a personalised experience and the workshops are suitable for all levels of photography enthusiasts!

Few national parks compare, with over 65,000 people visiting Carnarvon Gorge National Park each year. While you are there, you will enjoy:

- Flora & fauna – over 173 species of bird life!
- Indigenous rock art
- Hiking and walking trails
- Towering cliff faces, bubbling creek crossings and rainforests
- Plus so much more, [check out our Ultimate Carnarvon Gorge Guide here.](#)
