Key Insights

A 2.0% decrease in visitors in November 2023 compared to November 2022 was recorded.

In Somerset, visitors comprise 60% overnight guests and 40% day trippers. The overnight visitors typically stay for an average of 2.5 nights per visit, spending an average of \$120 per night during their stay.

Among visitors, 37% originate from Interstate, while 61% come from Intrastate, with an additional 2% from International locations. The predominant intrastate visitors hail from postcodes 4209 (Coomera), 4207 (Beenleigh), 4165 (Redland Bay), 4211 (Nerang), and 4670 (Bundaberg). Notably, these cities lie further toward the coast, suggesting that the majority of visitors venture inland to experience Queensland's countryside.

Increased visitor numbers can be achieved significantly by focusing on the top three Helix Personas: 401 (Home Improvers), 502 (Making Ends Meet), and 402 (Working Hard). Enhancing the promotion of pubs can notably boost visitor numbers, given that this aligns with the major interests of two personas, constituting over 10% of the total visitors to the region. Moreover, promoting nature-based activities such as fishing, hiking, or exploring zoo and wildlife parks can further bolster visitor numbers, as these activities align closely with the interests of the top three personas.
