Whether it is time away with the kids, or a chance to catch up with friends, Bestbrook is the Farmstay for you. Bestbrook is about the simple pleasures, milking a cow, feeding our farm yard friends, cooking your own damper on our bush microwave, and boiling the billy for a cup Aussie tea.

PRODUCT DESCRIPTION 100 WORDS

Bestbrook is about the simple pleasures, milking a cow, feeding our farm yard friends, cooking your own damper on our bush microwave, and boiling the billy for a cup Aussie tea. Our team, will introduce you to some of our local history, teach you how to throw a boomerang and the art of cracking a stock whip. When the sun goes down on the farm, enjoy the creature comfort in your own country cabin, savour a freshly cooked, home-style dinner in our licensed restaurant and then gather around the campfire for marshmallow toasting and a blanket of stars.
