FACILITIES

- Eftpos
- Toilet
- Truffle Cottage with seating for up to 10 people
- Larger groups can be accommodated on the lawn in a picnic style format

PRODUCT DESCRIPTION 50 WORDS

Join truffle farmers Maple and Ben and meet the truffle dogs as you discover where and how truffles are grown at the only commercial farm in Queensland. Hunt for fresh truffles in July and August, or enjoy other educational and interactive experiences including tasting locally made truffle products outside of truffle season.

PRODUCT DESCRIPTION 100 WORDS

Join truffle farmers Maple and Ben and meet the truffle dogs as you discover where and how truffles are grown while you take a tour of the only commercial farm in Queensland. You can hunt for fresh truffles in July and August, and there are other educational and interactive experiences that you can enjoy outside of truffle season. This is the ultimate paddock to plate experience where you can ignite your senses by tasting fresh truffle straight out of the paddock, or try truffle products that have been locally made in Ballandean, at the heart of the Granite Belt Wine Country.
